ISLAM HAMDAN

Environmental & Sustainable Development Project Management & Coordination

Tripoli, Libya | +218 091-4061363 | Email: Islamhamdan51 at gmail | LinkedIn: https://www.linkedin.com/in/islam-hamdan

PROFESSIONAL SUMMARY

Environmental & Sustainable Development Project Officer and MSc Marine Science Researcher with hands-on program coordination experience, backed by 8+ years of managing documentation, operations, and stakeholder deliverables. Promoted directly to Project Officer at Rehla for Sustainable Development after earning the Outstanding Volunteer Award (1st Place), completing 100+ verified volunteer hours, and supervising 60+ volunteers to plant 4,589 trees across 11 Libyan municipalities and deliver environmental awareness to 1,508 students during the inaugural season of the Gharsa Project. Founder of the Blue Horizon marine conservation initiative and the Manarah EdTech SaaS platform. Combines scientific expertise in Marine Biology and Zoology with formal training in leadership, risk management, and zero-carbon objectives (3ZERO) to drive high-impact environmental and community projects.

CORE COMPETENCIES

- **Project & Field Operations:** Environmental & Sustainable Development Project Management • Program Coordination & Field Operations • Risk Management & Problem Solving • Process Optimization • Milestone & Deadline Management
- **Stakeholder Engagement:** Stakeholder & Community Engagement • Cross-Functional Team Leadership • Trilingual Communication (Arabic, English, French)
- **Domain Expertise:** Marine Ecosystem & Biodiversity Conservation • Monitoring, Reporting & Documentation

PROFESSIONAL EXPERIENCE

Project Officer — Gharsa Project

Rehla for Sustainable Development — Tripoli, Libya *(Full-time)* | Jul 2026 – Present

- Coordinate end-to-end planning, field implementation, and operational reporting for the Gharsa environmental sustainability project across multiple Libyan municipalities, ensuring strict alignment with timelines and quality standards.
- Manage cross-functional collaboration between volunteer teams, local municipalities, community stakeholders, and institutional partners to achieve project milestones.
- Promoted directly into this role following high-impact field leadership during Season 1, which successfully delivered 4,589 planted trees across 11 municipalities (including Tripoli, Zliten, Zawiya, and Sebha) and educated 1,508 students.

Founder & Program Lead

Blue Horizon — Tripoli, Libya | Jan 2026 – Present

- Conceived, planned, and launched Blue Horizon, a community-based marine sustainability initiative dedicated to protecting and conserving the Mediterranean coastal ecosystem.
- Coordinate a network of volunteers, freedivers, and community partners to execute coastal advocacy campaigns while managing schedules and lean resources.
- Built and manage direct partnerships with local fishermen communities, translating marine conservation objectives into practical coastal engagement activities.

Founder & Product Lead — Manarah (مَنَارَة) Platform

Independent EdTech SaaS Initiative — Tripoli, Libya | 2026 – Present

- Led field research, product design, and launch of a cloud-based EdTech SaaS platform to digitize and streamline administration and tracking for Quranic study circles.

Freelance Documentation & Project Coordinator

Self-Employed — Tripoli, Libya | Oct 2023 – Present

- Independently manage the full lifecycle of documentation and research coordination projects—scoping requirements, managing schedules, and delivering outputs—for academic, administrative, and professional clients.
- Manage concurrent client engagements and competing deadlines with high accuracy, building a strong referral-based client portfolio.

Professional Writing & Documentation Specialist

Multiple Organizations — Tripoli, Libya | 2015 – Sep 2023
Awraq Center (Oct 2022–Sep 2023); Alam Al-Tasweer Office (Oct 2017–2021); Friends Center (Apr–Aug 2017); Al-Bidaya Company (2015–2016)

- Delivered structured reports and organizational documentation across four organizations over an 8-year span, adapting seamlessly to diverse operational workflows.
- Redesigned document organization and review processes, improving team workflow efficiency and reducing turnaround times on client deliverables.

LEADERSHIP & VOLUNTEERING

Team Supervisor & Volunteer — Gharsa Project (First Season)

Rehla for Sustainable Development—Tripoli, Libya | Nov 2025–Jul 2026

- Supervised and coordinated a field team of **60+ volunteers** across on-site planting and community campaigns, contributing directly to the planting of **4,589 trees across 11 municipalities** (including Tripoli, Zliten, Zawiya, and Sebha in Southern Libya) and raising environmental awareness among **1,508 male and female students**.
- Awarded the **Outstanding Volunteer Award (1st Place)** and certified for completing **100+ hours of volunteer service** in recognition of exceptional field leadership—leading directly to promotion as Project Officer.

Active Member & Field Contributor

Freediving & Spearfishing Community—Tripoli, Libya | May 2021–Present

- Support coastal ecosystem cleanliness campaigns along the Mediterranean coast, contributing field observations and hands-on participation as an open-water diver.

Youth Representative (Al-Mansoura District) — Local Leadership Youth Camp

Local Youth Council — Tripoli Center Municipality | Tripoli, Libya | 2026

- Selected to represent the youth of Al-Mansoura District within Tripoli Center Municipality during the Local Leadership Youth Camp, actively contributing to civic development, youth engagement, and sustainable community impact discussions.

EDUCATION

Master of Science (MSc) in Marine Biology and Oceanography

University of Tripoli, Faculty of Science—Tripoli, Libya | Mar 2025 – Present *(In Progress)*

Bachelor of Science (BSc) in Zoology (Marine Science Track)

University of Tripoli, Faculty of Science — Tripoli, Libya | Nov 2024

- **Capstone Research:** Assessed marine species biodiversity across local fish markets as an indicator model for fish stock assessment and Mediterranean ecosystem health.

CERTIFICATIONS & TRAINING

- **Certificate of Appreciation (Local Leadership Youth Camp)** — Local Youth Council, Tripoli Center Municipality (2026)
- **Leadership Skills in the Work Environment Training—Feb** 2026
